LED Clear Drop Light Bulb A60 4W 470Lm E27 2700K - E02

Description

The LED E02 light bulb was designed to guarantee a warm, snug lighting for a welcoming atmosphere in any room.

What are the main characteristics of this light bulb?

The E02 light bulb guarantees a brightness of 470 lumen and has a 4-watt power output. It also provides a warm 2700K lighting for a soothing, intimate atmosphere. The E27 fitting makes the product compatible with the majority of lamp holders, allowing you to simply replace old light bulbs without difficulties.

Where to use these light bulbs?

The clear drop design of the E02 light bulbs adds class and sophistication to your illumination. Whether you're lighting up a wall lamp in the living room or a table lamp in your office, this light bulb will easily adapt to any space and transform it with its timeless charm.

What technology do these E02 light bulbs employ?

This light bulb uses LED filaments. This guarantees a 90% reduction on energy consumption compared to traditional

incandescent light bulbs, for higher energy efficiency. Additionally, this light bulb has an average life span of over 15.000 hours. Enjoy basking in their warm, steady light for a long time.

The E02 Drop A60 4W 470Lm E27 2700K light bulb is the perfect blend between energy efficiency, appealing design and strong illumination, with a good price/quality ratio.
