LED Golden Light Bulb Carbon Line Filament Cage Globe G95 7W 640Lm E27 2700K Dimmable - C55

Description

Shimmering elegantly on a chandelier, or gleaming as a table lamp on your desk? These globe light bulbs go perfectly with any space, from classic to contemporary. Traditional charm and highest efficiency combined with modern technology for the C55, which presents the thinnest patented filament on the market.

Dimmable, with long lasting, ample light emission (15.000 hours for 20.000 on/off cycles). This light bulb radiates a warm, relaxing lighting which perfectly recreates the one seen in antique incandescent light bulbs. The 2700K colour temperature creates a cosy, bright atmosphere for a clear view of your surroundings.

Bebulbs, a brand that's always pushing the boundaries of design for charming, great-quality LED light bulbs, now presents the Carbon Line: a modern retake of the traditional incandescent light bulbs.

Data Sheet

Light bulb type: LED
