Wooden E27 lamp holder kit

Finish: Neutral

Description

A wooden E27 lamp holder kit is used to assemble a wall, table or ceiling lamp with any round or braided flex. Wood is a natural material that immediately calls to our mind very different styles: nordic, shabby, country, industrial, nautical and many others!

This wooden E27 lamp holder kit is made in Italy and is definitely right for you if:

- you prefer a natural look&feel
- you want to paint your ceiling rose as you like

To configure and complement your wooden E27 lamp holder kit:

- watch the tutorial and learn how to mount the lamp holder
- complete your lighting installation with Creative-Cables components, accessories, light bulbs and flex

A creative tip for you: choose for your ceiling rose a linen fabric cable.
