Large section electric cable 3x1,50 twisted - covered by Jute TN06

Description

Do you need more power?

This large section cable 3x1,50 mm² covered by Jute TN06, is perfect to create extension cords, multi-sockets or to bring power to your electrical appliances.

The electrical wires have a double isolation in a high flexibility pvc.

All Creative-Cables electrical cables are 100% made in Italy and IMQ-Har certified.

Attention! Our large section electric cables 3x1,50 mm² are not compatible with our ceiling roses and lamp holders.

Available on request in all Creative-Cables' fabric coverings excluding our Vertigo collection, with a minimum order of 200 meters.
