LED Light Bulb Plumen 002 6,5W 500Lm E27 2200K Dimmable

Description

A shape inspired by water drops, the Plumen 002 has an unmistakable design that won the ELLE Decoration British Design Award in 2014.

With its low luminous intensity and warm light, the Plumen 002 bulb is ideal for creating cosy atmospheres. Perfect for table, wall and pendant lamps, it is also often a favourite in lighting installations of more than one bulb.

Compatible with any LED dimmer.
