UFO Wooden lampshade Special Edition Italian Illustrators, double face -
33 cm diameter

Decoration: Carolina Zuniga

Description

UFO - Unconventional Flying Object is the line of lampshades born from the **collaboration between Creative-Cables and the most promising names in Italian illustration** during the Fuorisalone and Milan Design Week 2018.

Each lampshade is made of **poplar wood**, has a diameter of 33 cm and a thickness of 0.5 cm, is reversible and you can change the look to your environment at any time.

The illustrators who have lent their work for this series of lampshades have different styles and approaches to design: there are those who love geometric patterns, those who have created delicate and carefree images and those who have chosen bright tones and colours. Each of these illustrations, both on one side and the other of the lampshade, will give an original touch to any environment.

Create a pendant lamp, wall light or original ceiling lamp, choose your preferred version of the UFO lampshade from the available finishes and complete your lamp with components, bulbs and fabric covered cables Creative-Cables.

Attention! Bulb and lamp holder NOT included.
