Ellepì mini flat lampshade with jungle animals 'Wildlife Whispers', 24 cm diameter - Made in Italy

Finish: Animals Giraffes

Description

Experience the wild call and innate elegance of the animal kingdom with the 'Wildlife Whispers' collection. Each lampshade is a visual narrative in which fauna blends into nature, with stories of exotic creatures unfolding among the tree foliage.

With a diameter of 24 cm, these mini plates transform light into an experience, a journey to remote and dreamy places where majestic giraffes graze among lush trees and curious lemurs wander through the branches. More than just accessories, they are small paintings that carry the essence of wild life, shaping every environment with a sense of adventurous beauty. Made in Italy, these Dibond® lampshades are durable and ready to withstand time and adapt both indoors and outdoors to tell their story.
