Eiva Mini Creative Box - Counter display unit

Description

Eiva Mini Creative Box is a practical and functional counter display unit: a tool that will make it easier for the customer to choose and for the retailer to sell.

Thanks to the display unit it will be even easier to attract the customer's attention and offer your audience a an outdoor lighting system that is one of a kind in the world: Eiva, the world's first wire-able IP65 outdoor lamp holder and its incredible line of decorative outdoor lighting.

Despite its small size the display contains all components of our Eiva Outdoor Lighting System:

- the innovative EIVA IP65 lamp holder patented by Creative Cables
- Eiva-2, the 2-way lamp holder
- Eiva-3, 3-way connection
- the two lines of Pastel or Elegant components and 8 soft-touch silicone finishes available
- Creative Cables' selection of outdoor cables
