Metallic E27 wall or ceiling lampholder

Finish: Chrome

Description

The lamp holder with E27 socket is the simple and functional solution to create a wall or ceiling light point that can offer complementary light and give a refined decorative note to your walls. The metallic finish and contemporary design are suitable for minimalist environments.

This lamp holder is perfect for creating a simple wall or ceiling light in various domestic environments such as a hallway or an entrance hall, or to create an alternative wall lamp to the classic abat-jour when installed near bedside tables.

Choose the finish that best matches your interiors. Thanks to the E27 socket, you can decide which bulb to match from our wide range of E27 decorative LED bulbs.
