Esse14 wall or ceiling lamp holder with S14d fitting - Waterproof IP44
Finish: Wenge effect

Description

With patented **esse14** lamp holder using LED S14d lightbulbs will be easier than ever, and even more striking. Thanks to its curved lines, small size and designer touch, you will be able to shape your creations without overloading the lamp or taking up too much space. Attach it directly to the wall, no rose needed.

Designed, developed and assembled in Italy, this lamp holder will help provide the perfect lighting ranging from small details to showy customised installations.

Thanks to the special sheath inserted in the lamp holder and when paired with linear LED S14 lightbulbs of 30 or 50cm, this product will boast an IP44 waterproof protection degree. Safely attach the product wherever you most need it, from your outdoor patio to your bathroom mirror.

Lamp holder available in three different finishings and compatible with our linear LED lightbulbs which come in three sizes (30 cm, 50 cm e 100 cm) and four finishings: clear, golden, smoky grey and opal.
