Bell XL ceramic lampshade for suspension - Made in Italy
Finish: Blackboard - White

Description

Create elegant and impressive pendant lamps with the Bell XL lampshade.

Perfectly placed on a table or bar counter, where it is necessary to concentrate the light beam downwards, this large-sized lampshade is **made and decorated entirely in Italy**.

Bell hangs simply: knot any fabric-covered cable to the loop at its end and insert a E27 lamp holder to screw on the design light bulb that you have chosen for your **pendant lamp**.

Every finish of this lampshade is designed to allow you to create the right atmosphere in the rooms you are furnishing: choose glossy white for a clean and elegant effect or the blackboard effect to give an original touch to your lamp, or choose the most original paints, such as rust and cement, to create a perfect suspension for an industrial style environment.

Attention! Bulb and lamp holder NOT included.
