Thermoplastic E27 lamp holder kit

Finish: White

Description

A thermoplastic E27 lamp holder kit is used to assemble a wall, table or ceiling lamp. Thermoplastic results lighter than bakelite and has a matte finish.

This thermoplastic E27 lamp holder kit is definitely right for you if:

- you want a plain lamp holder at a smart price

To configure and complement your thermoplastic E27 lamp holder kit:

- use the menus to define the features
- watch the tutorial and learn how to mount the lamp holder
- complete your lighting installation with Creative-Cables components, accessories, light bulbs and flex

WARNING! Cable clamp NOT included.
