Esse14 wall or ceiling lamp for linear LED bulb S14d - Waterproof IP44 - IO

Finish: Black

Light bulb: Without bulb

Description

With the new wall or ceiling lamp and patented lamp holder **esse14** using LED S14d lightbulbs will be easier than ever, and even more striking.

Thanks to its curved lines, small size and designer touch, you will be able to shape your creations without overloading the lamp or taking up too much space. Attach it directly to the wall, no rose needed.

Designed, developed and assembled in Italy, this lamp holder will help provide the perfect lighting ranging from small details to showy customised installations.

Thanks to the special sheath inserted in the lamp holder and when paired with linear LED S14 lightbulbs of 30 or 50cm, this product will boast an IP44 waterproof protection degree. Safely attach the product wherever you most need it, from your outdoor patio to your bathroom mirror.

This lamp can be purchased with 50 cm lightbulb or without lightbulb to choose from other options available on our website.
