Cylindrical metal E27 lamp holder kit with 7 cm cable clamp

Finish: Black

Description

A cylindrical metal E27 lamp holder kit with 7 cm cable clamp is used to assemble a wall, table or ceiling lamp. Metal is a durable material that can be placed in many environments, whatever their style: no matter if minimal, nordic, industrial or classic, you'll find the metallic finish that suits your needs! The protagonist of this lamp holder is a 7 cm cable clamp, which far from being just a simple component, becomes a decorative and high impact stylistic element.

This cylindrical metal E27 lamp holder kit with 7 cm cable clamp is definitely right for you if:

- you prefer essential shapes
- you want to make the most of your light bulb
- you are in love with a particular metallic finish, like brass or copper

To configure and complement your cylindrical metal E27 lamp holder kit with 7 cm cable clamp:

- use the menus to define the features
- complete your lighting installation with Creative-Cables components, accessories, light bulbs and flex

A creative tip for you: choose a cable that contrasts with the metal finish of the lamp holder and the cable clamp
