Description

An oval wooden ceiling rose kit is used to assemble a wall or ceiling lamp with a round or twisted textile cable. Wood is a natural material able to evoke very different styles: Scandinavian, shabby, country, industrial, nautical and many others!

This oval-shaped wooden ceiling rose kit is made in Italy right for you if:

- you need a single pendant lamp or wall light with one light bulb
- you prefer a natural look&feel
- you want to paint or varnish your ceiling rose as you like

.

To configure and complement your oval wooden ceiling rose kit:

- watch the tutorial and learn how to mount the ceiling rose
- complete your lighting installation with Creative- Cables components, accessories, light bulbs and flex

A creative tip for you:

- create original wall or ceiling lamps by combining it with Syntax®, the revolutionary minimal S14d fitting socket.
