Spostaluce metal Lamp

Finish: Black

Light bulb: Without bulb

Plug: EU

Description

Installing ceiling and wall lamps has never been easier, even in places that don't have sockets or light sources.

The metal Spostaluce allows you to swiftly alter your home illumination: thanks to our striking fabric-sheathed cables you will be able to furnish your indoor and outdoor spaces with different lamp configurations, bringing light wherever you most need it.

With this solution you will be able to create original and functional light sources through the preexisting electrical system. All you will need to do is connect the plug from the Spostaluce lamp to the closest socket and attach the lamp to the wall or ceiling of your room. Quick and easy!
