Mini Ellepè 'Solid Color' flat lampshade ideal for suspension, wall lamps or for string lights, 24 cm diameter - Made in Italy

Finish: Glossy black - Matt black

Description

What do you look for in a lampshade? If your answer is clear-cut lines and versatility, then our mini Ellepè flat lampshade in Solid Color is the perfect match for you.

These mini lampshades come in primary colours and achromatic shades - and a 24 cm diameter - whilst balancing the contrast between glossy and opaque finish to give the perfect touch to any suspension lamp. The lampshades have been 100% made in Italy from our incomparable Dibond®, a light yet sturdy material able to withstand any weather.

Attention: lightbulb and lamp holder not included.
