Double Single-Pole Foot Switch. Designed by Achille Castiglioni.
Finish: Black

Description

The design is in the details.

Maybe you don't remember this foot switch, although you may have noticed it at the foot of by E. Gismondi legendary "Ettore" for Artemide, Stylos and Aoy designed by Castiglioni for Flos, Brumbury by Luigi Massoni for Guzzini.

Even a few people on the inside are unaware. This double foot switch was designed by Achille Castiglioni: winner of nine Golden Compasses, Castiglioni had a passion for the switches he designed; they were his foot into the doors many people's homes, a true example of industrial design, beauty and function combined with a variety of products manufactured with a sustainable cost.

WARNING: The double single pole foot switch with dual foot switch ignition should **only be used to replace the same model previously installed** on your designer lamp or stand and is compatible with all round and twisted textile cables in the Creative-Cables range.
