LED Porcelain Effect Light Bulb CRI 95 G95 7W 640Lm E27 2700K Dimmable - P03

Description

The LED E27 CRI 95 G95 - P03 light bulb is an excellent option for those looking for high-quality lighting for their home or office. With a high color rendering index, a warm and welcoming color temperature, an elegant globe shape, and a porcelain effect glass finish that emits a homogeneous light, this light bulb is a stylish and functional addition to any lamp.

Features

Featuring an E27 fitting, it is easily installable in various existing lamps. Additionally, the bulb has a **high color rendering index (CRI) of 95**, which means it accurately reproduces colors.

Finish

The porcelain effect glass finish of the bulb emits a **homogeneous light** that diffuses light evenly throughout the room. This is particularly useful in environments where good general lighting is required, such as kitchens or meeting rooms.

Energy efficiency

The LED E27 CRI 95 G95 - P03 light bulb is also an energy-efficient option. With a power consumption of only 7 W, this bulb consumes less energy than traditional incandescent bulbs, saving on the electricity bill. Additionally, LED bulbs have a much **longer lifespan** than incandescent bulbs, reducing the need for frequent replacements.

Color and intensity

The E27 CRI 95 G95 - P03 light bulb has a color temperature of 2700K, which means it produces **warm and comfortable light**. This color temperature is perfect for a relaxing atmosphere in environments such as bedrooms or living rooms. Additionally, the bulb is dimmable, which means the light intensity can be adjusted according to needs. This feature is particularly useful when a soft light is desired to create a romantic atmosphere or to watch TV in a dark room.

Shape

The G95 globe shape of the light bulb makes it a stylish and timeless addition to any lamp, even pendant or plug-in, in any type of décor.

Data Sheet

Light bulb type: LED
