## LED Clear Light Bulb Ghost Line Recessed Donut 120x90 6W 500Lm E27 2200K Dimmable - G03

### Description

For those seeking soft and ethereal lighting with a remarkable visual impact, the G03 light bulb is the ideal choice. With its unique inverted ring shape and gorgeous lighting effect, the G03 provides amazing illumination at all times.

What sets this light bulb apart from others?

Far from merely serving as a light source, the G03 evolves into a design accessory that enhances your surroundings with its extraordinary glow (500 Lm and 2200K, akin to candlelight). With its slender filament positioned along the edge, it's perfect for illuminating a table or adding character to any corner of a room.

How and where should this light bulb be used?

Boasting its ring shape and clear glass surface, the G03 is versatile, serving equally well on its own or in series to create simple yet elegant ceiling lamps, unusual wall sconces, or unique table lamps. The G03 effortlessly complements various spaces, ranging from domestic settings to commercial establishments like bars, shops, and restaurants.

Which fitting does the G03 light bulb use?

The G03 light bulb conceals an E27/recessed fitting within the glass, resulting in a striking decorative effect."

Can the G03 light bulb be dimmed?

The G03 light bulb can be dimmed, giving you full control over the brightness levels to match any occasion or specific atmosphere.

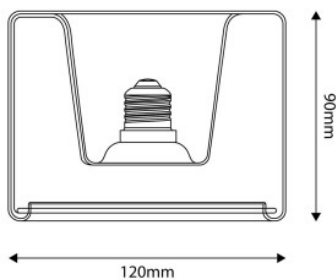

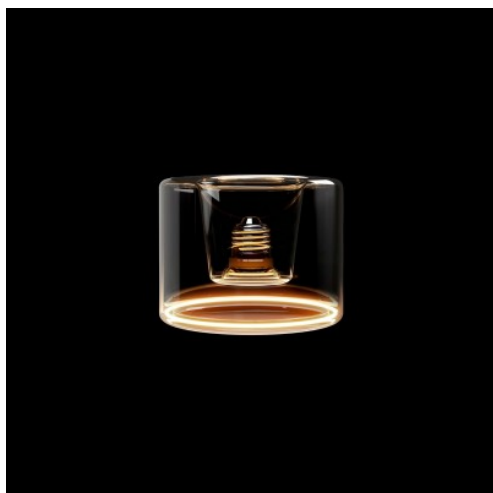

Which technology is incorporated into the G03 light bulb?

This light bulb makes use of LED technology, providing impressive energy savings in comparison to traditional incandescent bulbs. Furthermore, its lifespan surpasses 20,000 hours, reducing the need for frequent replacements. Moreover, with a Colour Rendering Index (CRI) of 90, this bulb guarantees a clear and detailed view, helping establish the desired environment in any space.
