Description

If like us, you enjoy getting creative with your lighting it's now even simpler to make your own multi pendant light. Using our patented and amazingly adaptable Rose-One System, Creative-Cables is proud to offer an enviable collection of ceiling roses to provide you with all the choice you could want.

The 200 mm square ceiling rose Panel with 2 pre drilled holes is just one of many options designed to create multi pendant lighting that is ideal for your requirements.

With a wide variety of colours and design options it's very unlikely that any two lights will end up the same. With a total of close to 50 round and square versions there is certainly something that you like. Also, more options are in the pipeline.

NOTE: the accessories to connect the ceiling rose to the power line are not included in the kit, but can be bought separately.
