Wooden ceiling rose kit

Finish: Neutral

Description

A wooden ceiling rose kit is used to assemble a wall or ceiling lamp with any round or braided flex. Wood is a natural material that immediately calls to our mind very different styles: Scandinavian, shabby, country, industrial, nautical and many others!

This wooden ceiling rose kit is made in Italy and is definitely right for you if:

- you need a single pendant lamp, i.e. with one light bulb
- you prefer a natural look&feel
- you want to paint your ceiling rose as you like

To configure and complement your wooden ceiling rose kit:

- watch the tutorial and learn how to mount the ceiling rose
- complete your lighting installation with Creative- Cables components, accessories, light bulbs and flex

A creative tip for you:

- choose for your ceiling rose a linen fabric cable
