LED Gold Half Sphere Drop Light Bulb A60 7W 650Lm E27 2700K Dimmable - A12

Description

With its old-world charm and eco-efficient soul, this bulb is a perfect example of design and functionality. The elegant golden top not only catches the eye, but also plays with light creating effects that are both fun and precious. With the grace of a drop, it fits most E27 bulb holders, at home, in a restaurant, or in a shop.

Its warm light, 2700K, promises to turn every room into a cozy refuge. And then, it's dimmable, because life is made of shades, and this bulb knows them all, ready to dance to the rhythm of your mood or your evening, be it romantic or festive.

Data Sheet

LED bulb type: LED

Shape: Drop
Attachment: E27
Width: 60 mm
Length: 108 mm
Volt: 220/240 V
Watt: 7W
Energy class: F
Temperature: Warm light (2700 K)
Lumen output: 650 Lm (equivalent to an old 60W bulb)
Bulb life: 15,000 hours
Dimmable: Yes

Our dimmable straight filament bulbs are able to work with all DIMMERS with trailing EDGE technology.

For the choice of the dimmer: in addition to the maximum power of the user, the minimum power must also be considered, because when the regulated power is lower than the minimum rated power, the user can "flutter" and/or be damaged.
