Ellepì mini flat lampshade with floral designs 'Blossom Haven', 24 cm diameter - Made in Italy

Finish: Botanical Lonicera

Description

Dive into the enchantment of a perpetual garden with the 'Blossom Haven' collection. These lampshades are a tribute to the elegance and shapes of nature, capturing the essence of flora in every curve and shade.

With a diameter of 24 cm, these mini plates elevate beyond their practical role, playing with finishes to reflect light and bring life to every setting. Each one is a window into a world of timeless beauty, a perfect balance between bold design and refined grace. Made in Italy, they are crafted from Dibond®, a material that promises not only lightness and beauty but also longevity, withstanding the challenges of time both indoors and outdoors.
