Pendant lamp complete with fabric cable and Tub-E14 double lampshade

Light bulb: Without bulb

Finish: Matt White - Brushed bronze

Smart Home: No

Description

You now get twice the beauty factor with this Creative-Cables pendant lamp featuring the Tub-E14 lampshade, thanks to the new version available with double Tub- E14 lampshade!

Tub-E14 is the ideal lampshade for all spotlight lovers: a very versatile lighting solution, capable of adapting to both domestic and commercial applications. Thanks to the new version, you now have even greater configuration options, making this pendant lamp perfect for your interior spaces!

The lamp design features brushed metal, copper, bronze or titanium finishes, in combination with white or black. The reflective properties of the metal ensure efficient light diffusion. Complete with double lamp holder ring with E14 fitting, 1-hole, metal ceiling rose and fabric cable, the lamp is ready to be ceiling mounted, taking centre stage!

The simplicity of this lighting solution makes it the perfect decor accessory for minimalist style interiors, or for those looking for a modern lamp, a solution for adding taste and elegance to your indoor spaces. You can buy the lamp with

bulbs: we have selected the PAR16 bulb for you, but, alternatively, you can combine the R50 Satin Led bulb or a Led lamp with E14 fitting and a diameter under 50mm.

Each Creative-Cables lamp is designed, assembled in Italy, tested and CE certified by independent laboratories according to the strictest regulations in force: one more reason for choosing Creative-Cables quality.

PLEASE NOTE: Some of the images shown are examples of multiple pendant configurations that can be created by purchasing multiple suspensions. The item for sale is a lighting installation with only ONE pendant.

Data Sheet

Pendant lamp comprising :

1 metal, one-hole ceiling rose: ø 120 mm

1 E14 double, thermoplastic lamp holder ring for each lampshade

Double Tub-E14 metal lampshade: ø 60 mm H 306 mm (H 153 mm each)

190 cm of 2x0.75 cable

Made in Italy

Light bulb [BB-A06]: LED, R50, E14, diameter 50 mm, length 87 mm, 220/240V, 4W, E, 2700 K, 470 Lm, dimmable

You can also purchase this lamp in the Matter-integrated version, for lighting control with your voice or the apps you already use regularly. Turn the lights on and off, create automations, and make your lights interact with other smart home devices easily and without the need for installation.

NOTE: If a wall switch is connected directly after the line cable, turning off the lamp will also cut off power to the Matter switch. Consequently, it will no longer be able to receive commands via voice or app. However, once the light is turned back on from the wall switch, the Matter switch will be powered again and resume normal operation.
