Fermaluce Wood with adjustable spotlight in wood and Tub-E14
lampshade

Light bulb: Without bulb

Finish: Neutral

Description

The Fermaluce Wood with Tub-E14 spotlight: unique, Made in Italy, clear-cut lines; the ideal wall lamp for anyone looking for an adjustable light source.

This lampshade with E14 lampshade can be tilted up to 90° and rotated up to 315° thanks to its adjustable joint, making it even easier to bring light a specific spot, whether it be your reading corner or your desk.

A classy wood finishing that perfectly adapts to any environment giving it a rustic and classic touch, also allowing you paint over it if you feel like switching it up.
