LED Porcelain Effect Light Bulb CRI 95 A60 11W 1055Lm E27 2700K Dimmable - P07

Description

Light up your space with the P07 E27 11W LED bulb. With its 1055 lumens, it offers a strong, enchanting light perfect for creating the right atmosphere. The white, porcelain-like glass helps to spread the light evenly.

With a CRI of 95, this bulb ensures faithful colour reproduction, enhancing the natural tones of objects. The 2700K colour temperature produces a warm light. Dimmable and long-lasting, it adapts to different needs in the home or commercial environment without compromise.

Note: When choosing the dimmer, check both the maximum and minimum wattage to avoid flickering or malfunctioning when the intensity is reduced to the minimum.
