Spostaluce wall lamp with plug and 3 Ghost bulbs

Light bulb: With bulb

Cable colour: RN02

Description

Explore the intriguing contemporary aesthetics of Spostaluce, which represents the perfect fusion between innovative shapes and evocative lighting, capturing attention and creating an atmosphere of charm in any environment. Designed as a wall lamp, this creation offers much more than a simple light source; with its three Ghost bulbs, which can be attached to the wall at will, it emits a soft and enveloping glow that not only illuminates spaces but also enhances their aesthetics.

Furthermore, the presence of a cable and a plug allows for total flexibility in positioning, making it possible to adapt Spostaluce to the specific lighting and decorating needs of each space.

Data Sheet
