Double ferrule milled aluminium E27 lamp holder kit

Finish: Gunmetal

Description

A milled aluminium E27 lamp holder kit is used to assemble a wall, table or ceiling lamp. Aluminium is a light, resistant and durable metal: when properly processed, it gets a special milled and rugged surface effect.

This double ferrule milled aluminium E27 lamp holder kit is definitely right for you if:

- you want to make the most of your light bulb
- you would like to enrich your suspension with a shielding element: in fact it is also possible to unscrew the mobile ring nut of the lamp holder and fix it to the frame of a lampshade

To configure and complement your double ferrule milled aluminium E27 lamp holder kit:

- use the menus to define the features
- complete your lighting installation with Creative-Cables components, accessories, light bulbs and flex

A creative tip for you: choose for your milled aluminium lamp holder a Diamond cage lampshade.
